Dear Atul Gautam Bhagat,

Congratulations and welcome to the Gandhi Fellowship Program, Batch of 2022-24!

The Gandhi Fellowship is the flagship program of the Piramal Foundation (hereafter referred to as the 'Foundation'). This Program is among the most aspirational fellowship programs in the country, owing to our dynamic educational curriculum. Young people like you from across the country embark on lifelong journeys of personal transformation as they lead our interventions in the communities we serve. These experiences lead to deeper self-awareness, the discovery of personal values and stronger leadership skills and life skills.

The Foundation is focused on improving the lives of the marginalized communities by strengthening Govt systems and leveraging the power of youth with a spirit of service or Sewa Bhava. We currently work across 24 states in partnership with the Central and State Governments. Over the years, we have developed innovative solutions and a deep understanding of our communities and strong technical partnerships. These are pivotal in helping us continue to serve our communities in partnership with government institutions across India.

The global Covid-19 pandemic deeply impacts the country. While we continue to be committed to the wellbeing of the communities we serve, it is equally important for us to ensure the safety and wellbeing of our team members.

Usually, the entire duration of the Fellowship is designed to be spent in the location where you are placed. Given the current exigent circumstances, your fellowship journey may be a combination of working from home and working from our program locations. This is a critical choice we make to ensure your safety and wellbeing over the course of this journey, with minimal impact on your transformational journey. Our leaders will share these decisions with you periodically and will be made considering the multiple factors that impact your safety, wellbeing, and learning journeys.

Other nuances of the duration of this Fellowship are detailed in the attached Annexures for your reference. Annexure A sets out the terms & conditions of the Fellowship, and Annexure B states the State you are assigned. We urge you to please read through them and if you have any clarifications / doubts, please reach out to your account managers.

To confirm your participation as a Gandhi Fellow in the Gandhi Fellowship Program, Batch of 2022-24, please sign a copy of this letter along with each page of the Annexures and share it with us within 5 days of receiving this offer letter. After that, our offer for you to join the Fellowship will stand withdrawn.

I extend our warm welcome to you and wish you great success as you embark on this journey of self-discovery and self-development as you transform the nations in improving the lives of marginalized communities by strengthening Govt. systems and continue further on your journey as a Nation Builder.

I look forward to seeing you at the Orientation!

This offer is subject to your reporting to the final location as communicated to you in your location allocation, and being certified medically fit along with the medical test reports at the location you report to.

Yours sincerely,

Debjan Roy

GANDHI FELLOWSHIP
united impact enjoy

Piramal
School of Leadership

Jul 20, 2022

Dear Akash Rajendra Ingle ,

Congratulations for clearing the second round of interviews and our best wishes for future processes as well.

The Gandhi Fellowship is a flagship Program of our Foundation. It is a comprehensive Residential Learning Program engaged in improving the lives of marginalized communities by strengthening Govt. systems and leveraging the power and energies of the youth.

Our Gandhi Fellows, while implementing the above, undergo a personal transformation of improved self-awareness and develop strong leadership skills. The Program imparts strong values and wholistic life skills during the Fellowship Program.

We would also like to inform you that this is a full-time 2-year residential program. During this period, you cannot and should not join any other curriculum / course / program on a full time or part-time basis without the proper consent of the organization / your reporting manager / Mentor.

Additionally, this is also an intense and rigorous program. You can be placed in any location and initiative as the organization sees fit. Hence, we would like to obtain yours and your family's consent to join the program if you are made an offer to join the program. Hence please do NOT consider this as a letter of Intent (LOI) or Offer letter. Please respond to the questions given in the following page.

We request you to kindly fill in your response in the attached Consent Form and return the same to us within 7 days of receipt of this letter; to enable us to consider your candidature, going forward. Please be advised that, should you fail to return the signed copy of this letter within the above stipulated time, it shall be assumed that you are not interested in our Fellowship Program. Consequently, your candidature for the program will automatically stand withdrawn from our records.

We once again state that this is a letter of consent that you are willing to join us at any location and in any initiative of our organization; and that this is NOT an Offer Letter, or a Letter of Intent (LOI) issued by us to you. The Offer letter will be issued to you if you accept the allocation of your location and initiative. It is also subject to your acceptance to our further terms & conditions which will be informed to you subsequently.

Yours sincerely,

Debanjan Roy

27. The Terms and Conditions of the Fellowship shall be governed by and construed in accordance with Indian laws. The Foundation and the Fellows irrevocably submit to the jurisdiction of the courts at Mumbai to settle any disputes in connection with these terms and conditions

28. You will be eligible to apply for the Social incubation and Enterprise Program after successfully graduating from this Fellowship Program.

29. Work from home apart from the Induction will only come into force if Govt may it be central or the State Govt imposes the lockdown resulting from working from home.

I have carefully read and understood the terms and conditions of the Gandhi Fellowship Program as has been detailed hereinabove.
